ASHLEY MOTSIE

Software Developer │ 0313 Mabeskraal, Rustenburg, North West, South Africa
E: motsieashley31@gmail.com │ P: +27 76 093 2272 │ A: upon notice

PROFESSIONAL SUMMARY

Seasoned and committed Software Developer with various web technologies and programming languages. My front-end skills include HTML5 & CSS3, Tailwind CSS, Bootstrap, and Figma. For back-end development, I am proficient in Python, Django, and Flask, and I am experienced with PostgreSQL and SQL for database management. I also use Git and GitHub for version control. My JavaScript skills include React+Vite and PHP.

PROFESSIONAL EXPERIENCE

AI Software Developer
AI Global Networks, July 2025 - Present

In my current role, I am responsible for developing scalable applications with integrated AI features. I am focused on improving application performance and efficiency, and I have implemented robust testing protocols to ensure high-quality software.

Junior Software Developer
Eullafied Tech Solutions, June 2025 - Present

As a Junior Software Developer, I collaborated with cross-functional teams to contribute to agile project development. I worked on code optimization techniques and played a key part in the overall development process.

FORMAL EDUCATION

I obtained my NCV National Certificate Vocational in Information Technology and Computer Sciences from Orbit Tvet College from 2022 to 2024.

PROFESSIONAL EXPERTISE

I have a strong skill set in various web technologies and programming languages. My front-end skills include HTML5 & CSS3, Tailwind CSS, Bootstrap, and Figma. For back-end development, I am proficient in Python, Django, and Flask, and I am experienced with PostgreSQL and SQL for database management. I also use Git and GitHub for version control. My JavaScript skills include React+Vite and PHP.
